

How to Create Your New Moise Safra Center Account

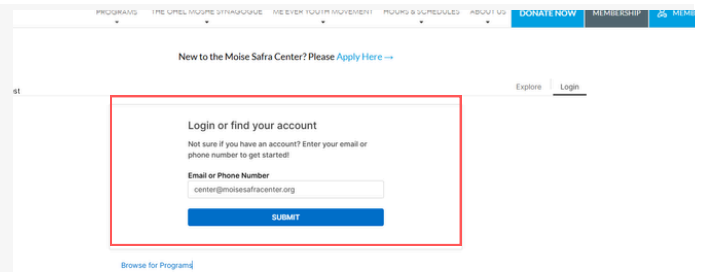

Step 1: Visit Our Website

Go to the Moise Safra Center website and click the **"Member Portal"** button in the top right corner. Scan the QR code to get started!

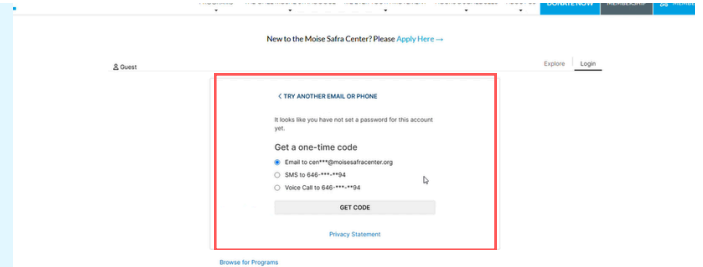

Step 2: Enter Your Email

On the login page, enter the email address associated with your Moise Safra Center account and click **Submit**.

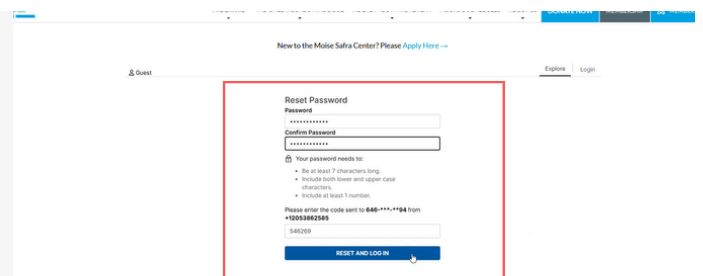

Step 3: Verify Your Account

Since this is your first time logging in, you'll need to **create a new password**. Choose how you'd like to receive your **verification code**: Email, SMS Text, Phone Call

Step 4: Create Your Password

Enter the **verification code** you received and create a **new password**.

Step 5: You're All Set! 🎉

Once your password has been created, you'll be taken to your new **Member Dashboard**, where you can register for programs and manage your account!
